

2004

Haberdasher's Askes School for Boys in Elstree. – Yet again a great venue.

We were given the benefit of using the first team cricket pitch. Again it turned out to be a nice day and everybody participated in playing cricket. Those who could not play cricket passed their time exchanging gossips, some talking shop and others good-nothings. Overall even though the numbers were less than usual, we had a lovely-jovial day.

Saif Najefi - Social Secretary.
