20,000 craftsmen brought together from Persia, Turkey, France and Italy and who took 17 year to complete this ' Love Poem in Marble'. **(Friday closed)**.

Later visit the **Agra Fort**. In Fort visit Diwan-E-Am (House of commons), mosques within Fort and royal pavilions like Macchi Bhavan, Shah Jahani Mahal & others. Akbar used Fatehpur Sikri as his capital and the city was fully occupied for 14 years but slowly became deserted and ruined after Akbar left the city. Scarcity of water was the prime factor for the abandonment of this beautiful city. Visit the remarkably well-preserved, graceful buildings within

the 'Ghost City' including the Jama Masjid, tomb of Salim Chisti, Panch Mahal Palace and other palaces that speak of the grandeur and splendour of the Mughal empire at the height of its power.

## JAIPUR

Morning excursion to **Amber fort**. Amber is a classic, romantic Rajasthani Fort Palace. The rugged, time-ravaged walls of the Fort may not look beautiful from the outside, but the interior is a virtual paradise. Miniatures painted on the walls depict hunting and war scenes, apart from festivals. Precious stones and mirrors are embedded into the plaster. Inside the Fort visit the Jag Mandir or the Hall of Victory. Inside the Jag Mandir is the famed Sheesh Mahal - a room with all the four walls and ceiling completely embedded with glittering mirror pieces, which were specially imported from Belgium during that period. En route to Amber Fort, you will have a brief photography stop at **Hawa Mahal** - the Palace of Winds.

Afternoon sightseeing tour of city visiting **Maharaja's City Palace**, the former Royal residence, part of it converted into a museum. A small portion is still used by the Royal family of Jaipur. Built in the style of a fortified campus, the palace covers almost one-seventh in area of the city. One of the major attractions in the museum is the portion known as Armoury Museum housing an impressive array of weaponry-pistols, blunderbusses, flintlocks, swords, rifles and daggers. The royal families of Jaipur once used most of these weapons. Later visit the **Jantar Mantar**, which is the largest stone and marble crafted observatory in the world. Situated near the gate of the city palace, the observatory has 17 large instruments, many of them still in working condition.
